Mill Rythe
JUNIOR SCHOOL

Social Distancing Behaviour Principles

When lining up for the toilets, I will use the crosses on the floor

I will wash my hands with soap and water for at least twenty seconds when I am asked to

I will try hard not touch my face

I will sneeze and cough into a tissue or my elbow and then wash my hands

I will only work and play with children in my bubble

I will stay 2 metres away from others when walking around school and walking on the left

I will tell an adult if I am feeling unwell

I will only bring my water bottle, reading book and reading star journal to school school each day

I won't touch others or spend time face to face

I will demonstrate our school values at all times
