Breakfast and After School Club – September 2020

To Parents & Carers,

Having read our re-opening of MRJS letter you will be aware that there have been a lot of changes to the way our school will work in September to ensure both the ongoing safety of our children, staff and families as well as ensuring that we meet the learning needs of our children.

To that extent, we have decided to launch our own Breakfast and After School Club from September to ensure that the class bubbles that we have in place during the school day can be maintained within our provision for wrap around care.

These clubs will be led by our school staff whom the children already know. Children will eat, socialise and play within their class bubbles to ensure the chances of Covid -19 being transmitted more widely are minimised.

Breakfast club will provide care from 7:30am until your child's class start time, when they will be collected by their class teacher or teaching assistant. Afterschool care will take place from your child's class finishing time until 5:30pm. We would consider extending this end time until 6pm should there be enough interest.

There will be a charge of £4.50 per session for breakfast club, which includes cereal, toast and fruit.

There will be a charge of £5.00 per session for afterschool club, if you collect your child before 4.30pm, and £7.00 per session for collection after 4:30pm.

Both the breakfast and after school club will run from the hall. When children arrive at school, they should access the club by walking through the blue gates past reception, before continuing to walk around the back of the school and then coming into the hall via the doors that open onto the farm. In the evening, please collect children from after school club by coming around to the same doors. If they are closed, please knock on the fire door to make staff aware that you are there.

I have met with Gill Wrixon today and hope that Kidzone will continue to operate from our school site for children who currently attend Mill Rythe Infant School. As the infant school are working with year group bubbles and due to our desire to not compromise our class bubbles, I have asked Gill not to offer places at Kidzone to children from our school.

We anticipate a high level of interest in our new breakfast and afterschool clubs. The booking link for our clubs is:

Please complete this as soon as possible should you wish to book your child in so that we can then confirm their place and provide you with further details.

We also need a name and logo for our new clubs and would like to invite your children to get creative and share their suggestions. There will be a small prize to the child/children who design our winning logo and name. Please email admin@millrythe-jun.hants.sch.uk with any suggestions.

DFE have released guidance for parents and carers of children attending out-of-school settings during the coronavirus outbreak which can be accessed below:
