29 th March	Trick box recap and class circle time	Mahatma Gandhi Sara	Filmed class performances of Take A Poem to be shared with David

Due to the Covid-19 pandemic there are no whole school assemblies planned for this term. Classes will have a weekly class assembly that will be planned for them so that children are having equality of provision across the school. They will also have a weekly trick box/circle time session scheduled by Sinead. Please send me a paragraph about your assembly on Thursday each week. Sinead will send me the trick box one.

I would like Friday afternoons to start with class teachers presenting learning bees. Please send me a photo of the child with their trophy and which learning bee it is for at the end of school.

Becky scheduled assemblies into your timetables but you can move them within your week to where they fit best.

We have our termly poem to learn as a class too that Sam will share with us. This term we will be learning Take A Poem by James Carter. I am looking forward to seeing the final performances at the end of the Spring term. We will share them with parents and carers via Instagram.
