Introduction

The School Standards and Framework Act of 1998 requires schools to adopt a Home School Agreement, and the Governing Body has adopted this Agreement. Our aim is for all staff, parents/carers and pupils to read and sign this agreement so that we can work together to ensure your child has best possible experience during their time at Mill Rythe Junior School.

The School's Expectations of the Child

At Mill Rythe Junior School we follow our 3 core rules. These are:
