Headteacher's Message

Dear Parents and Carers,

Welcome to the penultimate newsletter of this half term. Lots to share and celebrate!

Well done Year 6

Well done to Year 6 for completing their SATs tests this week. Thank you parents for supporting the school to ensure your child was at school, on time and ready. It was great to see them enjoying their special breakfast with pancakes being a very popular choice once again this year. I was so impressed with the way in which the children approached these rather formal tests. They were calm, mature and focussed. This was also an observation from the governors who came in to monitor the school's delivery of the SATs.

History of Art Day

It has been wonderful to see the children enjoying learning about the selected artist for their class. We are looking forward to a celebration assembly of their work on Monday. Thank you to Mrs Chessell and the teachers for organising such a lovely experience for the children.

A call for wellies

Do you have wellies that your child has grown out of? Please consider donating them to our school for others to use. Thank you.

Goodbye Mrs Farrelly

Next Friday, we will be saying goodbye to our School Business Manager Mrs Farrelly who will be leaving us to work for Hampshire County Council. She has led the school office over the last, nearly, two and a half years. I am sure you will join me in wishing her well for the future. Thank you for everything you have done to support the staff, children and their families at Mill Rythe Junior School.

PTA Rainbow Raffle and Bingo

There is still time to buy tickets on the door for tonight's much anticipated event at the British Legion. Thank you for your support.

Walk to School Week

Next week is Walk to School Week! We are encouraging all children to travel to school in a healthy and active way by walking, cycling or taking part in park and stride where possible. Children who take part in active travel every day next week will receive a certificate to celebrate their achievement. Thank you for supporting us in promoting healthy lifestyles and reducing traffic around the school.

Hot Weather

As the weather becomes warmer (although hail stones were a bit of a surprise this week!), please ensure you send your child in with a named water bottle and sunhat. Please also ensure your child applies sunscreen before they come to school.
