Headteacher's Message

Dear Parents and Carers,

Hope this newsletter finds you well. There is a lot of information contained in this newsletter related to the upcoming sports mornings.

Sports Mornings and Picnics

We are very much looking forward to welcoming you to our sports mornings. The weather is looking to be rather warm. Summer appears to be making an appearance! I will be monitoring the forecast closely over the weekend to ensure that it is not too hot to take place...often we worry about the rain making an appearance but not this year!

Thank you to the families who have kindly loaned gazebos. We are grateful for this as we are able to provide additional shade for the children. We are very fortunate to have a very large field, however it does have limited shade. Therefore, if you are coming to watch, please be mindful of this and prepare accordingly.

Please can I request that you provide your child with a filled, named water bottle, a sun hat and ensure they have had sunscreen applied before school. We will have water stations too for the children in place.

Families are invited to stay for a picnic and this is something that is very popular. If you are unable to stay and would like your child to sit with another known family, please contact the school to alert us to this, and, of course, please ensure the family consent to this too!

As we are a smart phone free school and to safeguard all of our pupils, please note that all phones or other photographic equipment will NOT be permitted for this event. Thank you in advance for your cooperation regarding this.

New Entrants Parents Meetings

As a school, we are very much looking forward to welcoming our new parents and carers to our school on Tuesday 23rd June. This meeting will provide our new families with important information regarding your child's junior school education journey. Please note this is a meeting for parents and carers only.

Transition

Our Year 6 pupils have started some of their transition activities with their prospective secondary schools. In school, we are looking forward to welcoming the Year 2 pupils next week on Tuesday 23rd June so they can meet their Cheeky Chum.

Items from home

Just a gentle reminder that children should not bring in items from home. Therefore, please check children's bags and pockets before they come into school each day.

As a reminder, children should only be bringing the following items into school:

- A named water bottle
- Lunchbox (if required)
- A healthy snack - fresh fruit or vegetables only.
- Homework
- Reading book
- Clothing such as sun hats at this time of year

All necessary equipment is provided in school, so there is no need for pupils to bring in any additional items. Thank you for your support with this matter.
